Pace of delivery over time

**High quality code
enables you
to go fast forever**

1. Scout rule

Joel Chippindale

@joel@monkeysthumb.co.uk

**Improve code quality
with
every change you make**

2. Negotiate on scope not quality

**How can we deliver less
and
have a similar impact?**

3. Quantify your case for change

Joel Chippindale

- 1. What will we need to invest?**
- 2. How much faster will we go?**
